

A Note from the Nurse

September 2010

Dear Parents,

Welcome back to another school year! I hope you all had a safe, fun and healthy summer. In an attempt to conserve paper and time, I will be putting most, if not all, of my forms online. I typically send out the "Health Information Update" form to all returning students (Grades 1-6) during the first few weeks of school. This year, I would ask that you download the form online and return it to me by the date requested on the form. If there have been no health changes/immunization updates, you do not have to complete the form. I will, however, be sending home letters to those students who are still in need of immunizations and/or physicals. These are State requirements and must be completed by the date indicated on the letter or exclusion will occur. If your child needs to take medication on a regular basis or as needed, I ask that you read the "Medication Policy" and follow the instructions on bringing the medication into school. There are several other forms/information sheets available online which are important for you to review. I look forward to working with you and your son/daughter this year to provide a safe and healthy environment. If you ever have any questions or concerns, please feel free to contact me at 689-3212 x1187 or hurleyc@mansfieldelementary.org.

*Sincerely,
Colleen Hurley
School Nurse*
